18cm Crystal Book Clock Award
Code - CBC1813
Price: €92.00 / Excl. VAT: €74.80

Award Design Service

Gift Innovations also offers an awards design service. We work with you to produce a design in a range of materials, which says something unique about your company.

Awards can be sculpted in glass and set on a marble base. They can also be cut to a specific shape, representing your logo or a particular aspect of your business. Naturally occurring materials like wood or stone can also be used.

Between our joint imaginations and the wonderful skills of our craftspeople, we will help you to design and manufacture something that the award recipient will be proud to receive and display.
